Directions: Please answer each of the following questions in paragraph form (each answer must be four sentences in length - topic sentence, example, explanation, and concluding sentence). The answers to the questions should give your insight into the chosen book you have read.

1. Name one character from the book, and explain how that character changed from the beginning of the book to the end.
2. Write about one conflict found in this book, and explain how the conflict affects the outcome of the book.
3. Name one instance in the book that would be considered a life lesson, and explain how it affects you or our world today.

PARENTS AND STUDENTS, PLEASE NOTE:

- As a Christian, a person may wonder, “Should Christians study the classics of literature?” Christians should be aware that man’s writings reflect his inner thoughts. This can be seen throughout a study of literature and the authors’ lives. If we look at secular literature (classics) through discerning eyes, our own faith and testimony can be strengthened. The selections chosen for the reading list are either classic in nature or carry strong literary merit. Trinity Christian Academy cannot be responsible for all content in every selection.
- Please be advised: copied, summarized, or paraphrased information from an internet source or any other source that is not properly documented is unacceptable. **THIS IS PLAGIARISM!** The writing portion of the Summer Reading Assignment is meant to be the students’ own thoughts and ideas and should not be researched from any outside source. If the student uses a quote from the book, please be sure to include the quotation marks as well as the page number from the book in which the quote was found.
